Each year, mySA honors the top Junior Gold, Junior, Sub-Jr and Pre-Sub High Over All shooters with great prizes from Shamrock Leathers.

To be eligible for the prizes each shooter must:
- Shoot 100 singles targets in at least 3 of the 4 Minnesota Youth Chain Shoots in 2019.
- Have the highest average overall in their category (the top three scores will be used to determine HOA).
- Not have received the award previously in their current category.

ALEX VOGEL MEMORIAL TROPHY

Pre-Sub and Sub-Jr participants who compete in at least one May 2019 Chain Shoot and the MTA Youth Day are eligible. Check our website for complete details.

ABOUT

The Minnesota Chain Shoot is a chain of 4 youth-only, ATA registered target shoots and awards prizes in all four youth categories: Junior Gold, Junior, Sub-Jr and Pre-Sub.

Classes within each category are determined using a computerized Lewis-class program (designed for mySA by Ron Baker) which means **everyone has a chance to win,** not just the top shooters.

All scores are posted at www.minnesotashotgun.org the same day, and prizes are mailed the week following the shoot; this allows shooters and their families to come, shoot, and leave without having to wait around for results.

mySA's 2019 youth-only SHOOTS

The Minnesota Youth Shotgun Association (mySA) is a 501(c) nonprofit organization whose mission is to promote the growth of youth trapshooting and hunting through shotgun safety, coach and shooter education, and youth competition in Minnesota.
